ARTISSE AI

The first and only of its kind

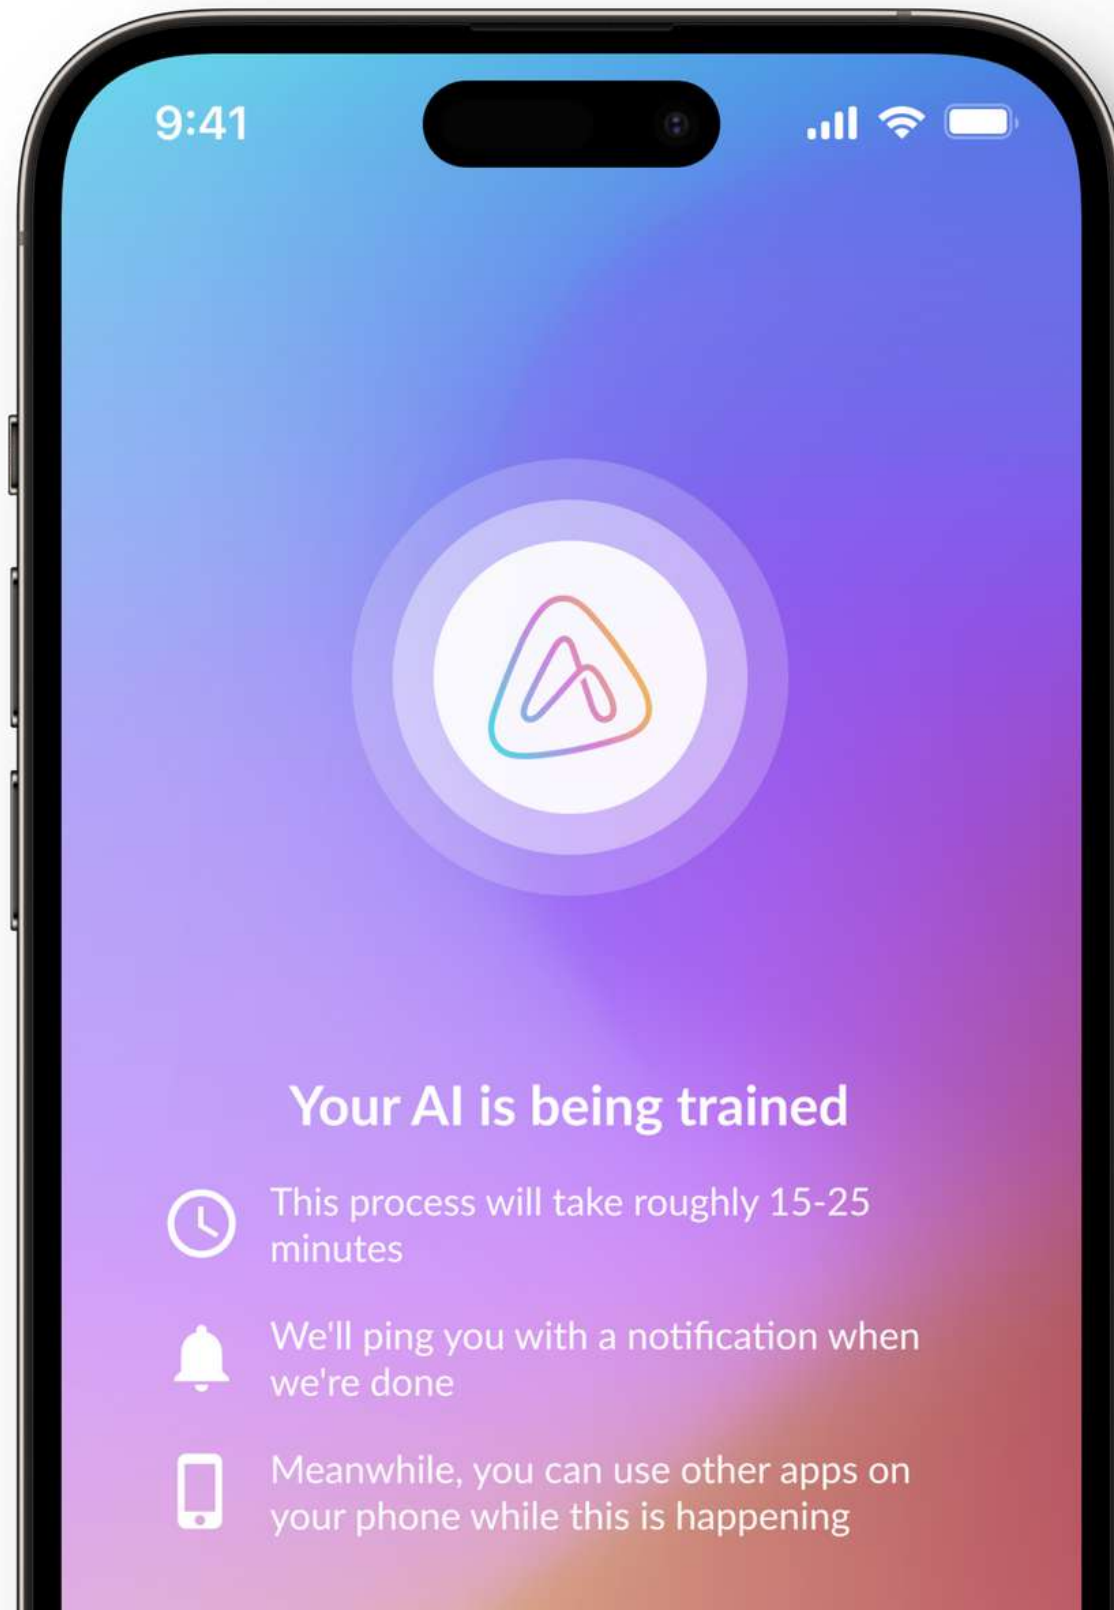

- ✓ Perfect photos can now be created by anyone
- ✓ Photos reimagined – instantly and effortlessly
- ✓ Complete freedom of input
- ✓ Highly realistic and indistinguishable photos
- ✓ Global release in in July 2023

We want to completely change the way photos are taken

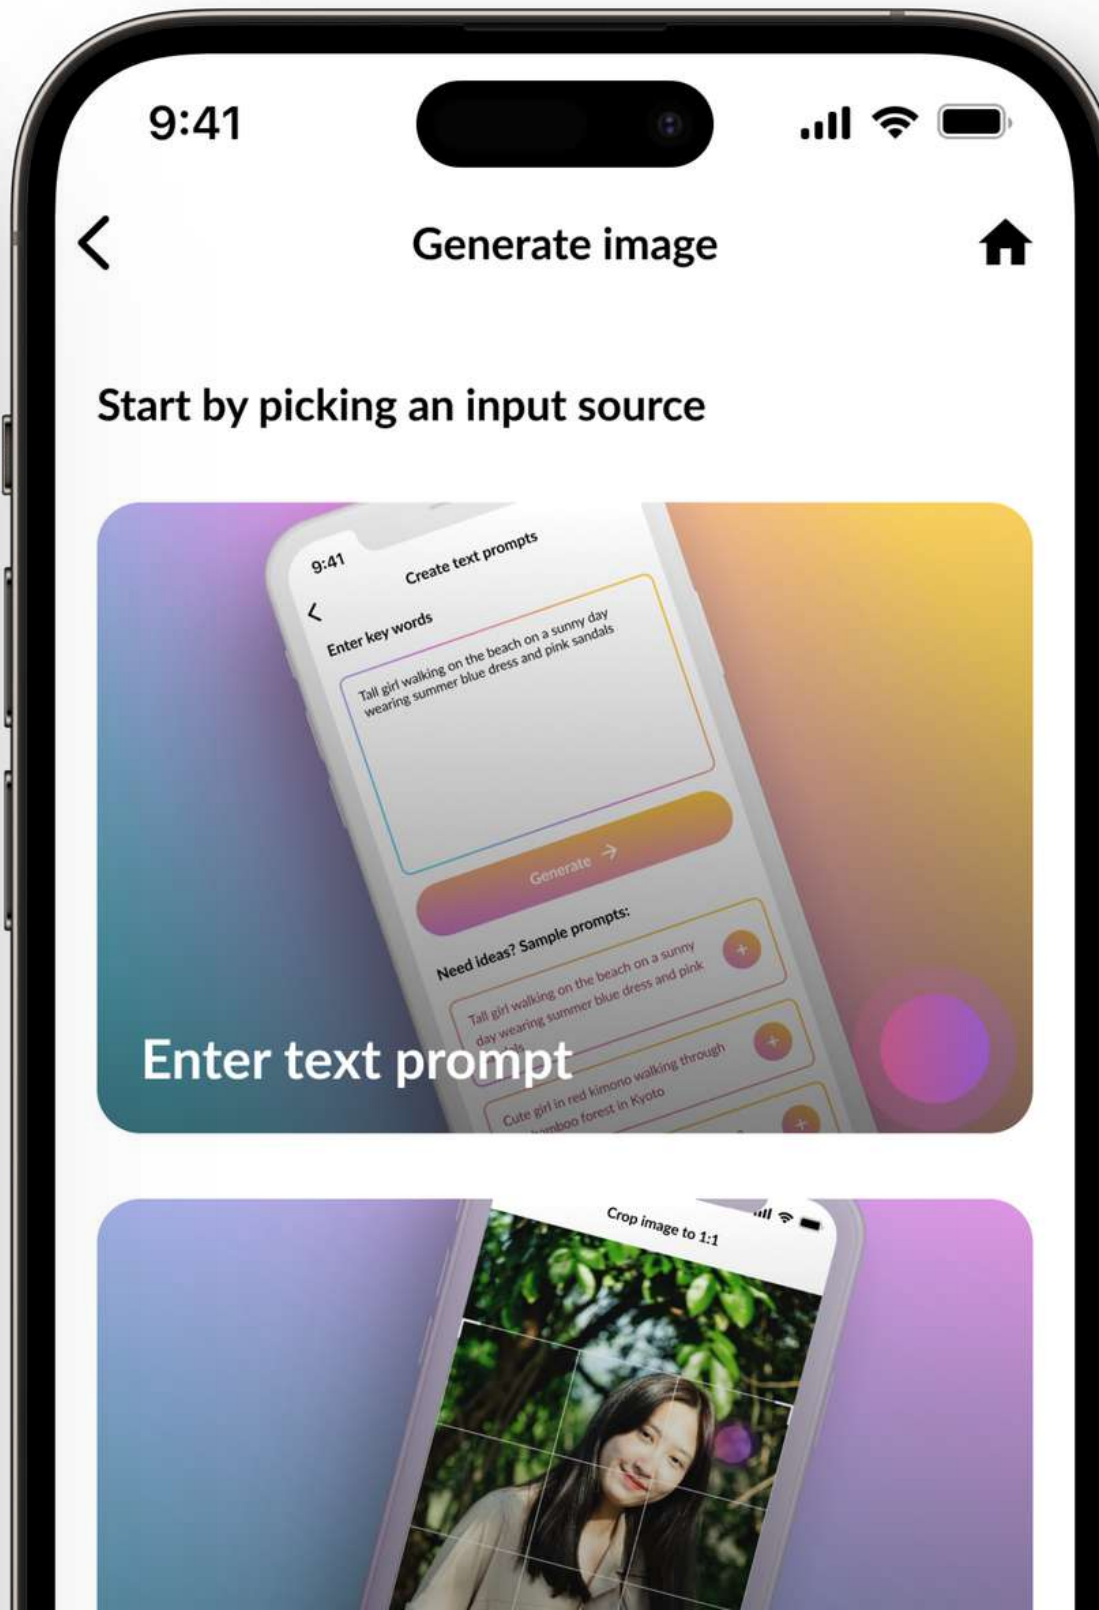

Perfect photos can now be created by anyone

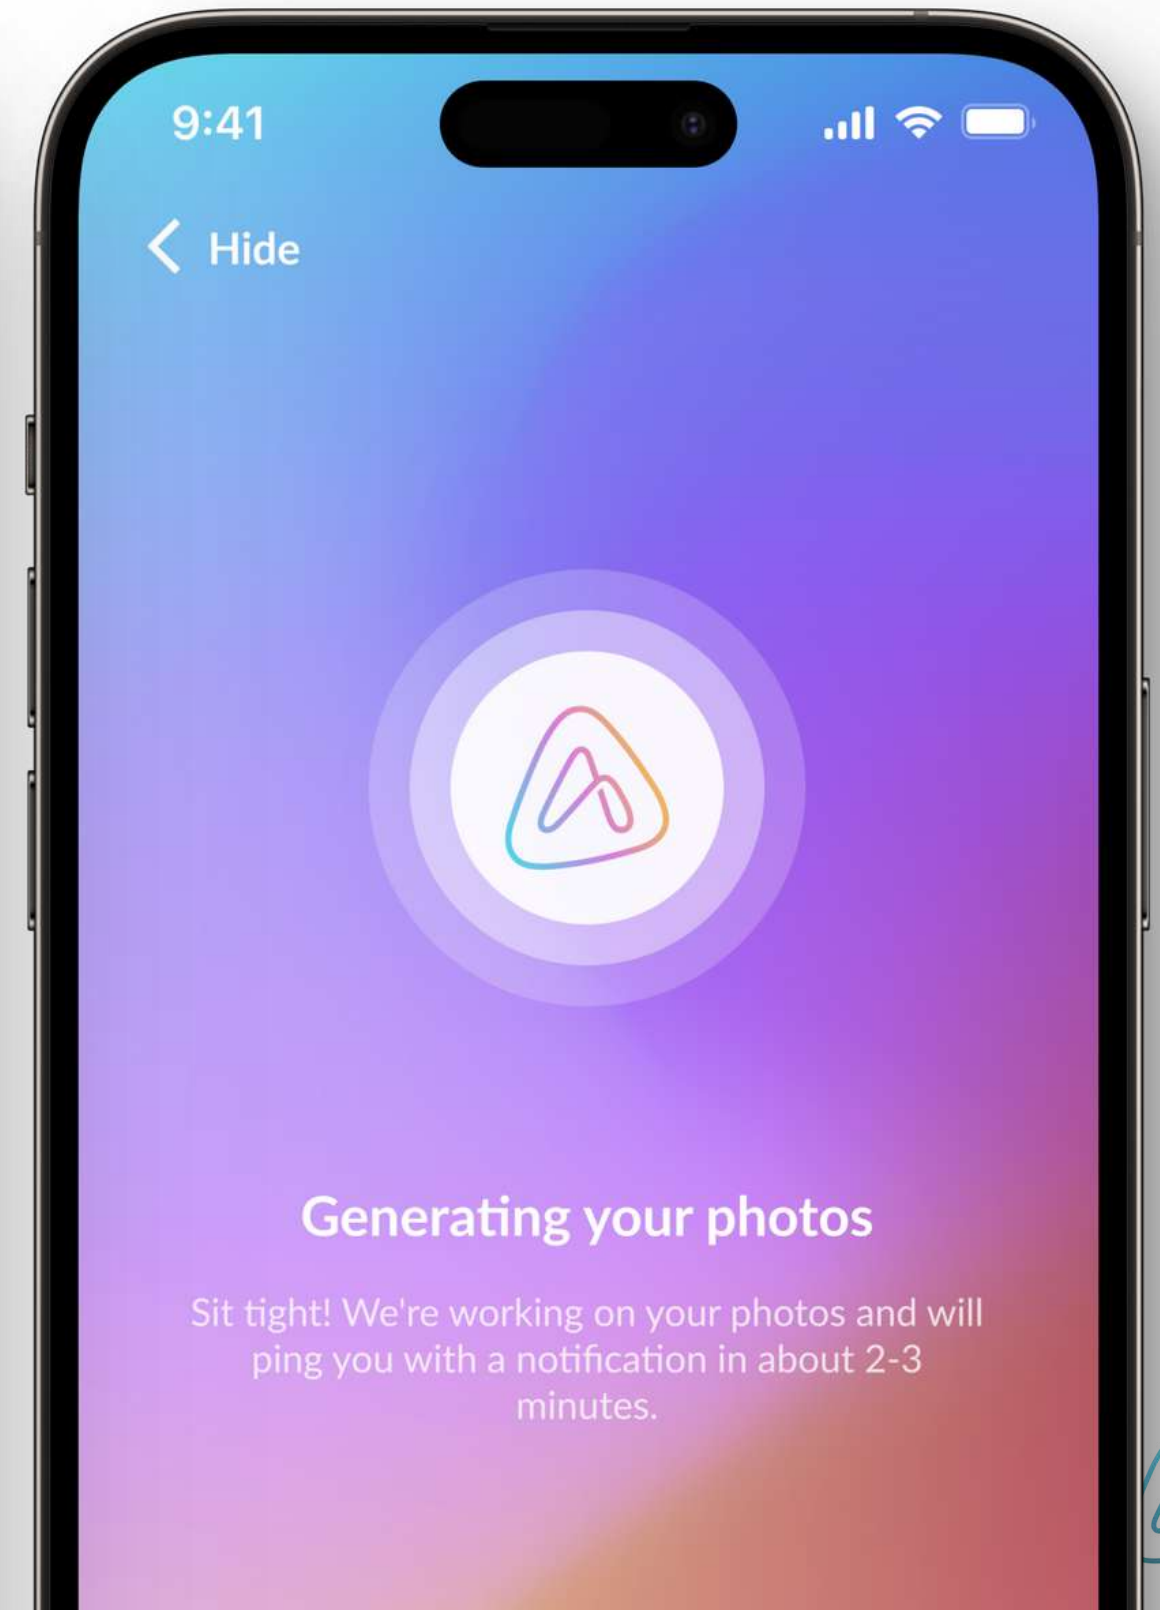

1 Train the AI using 10-15 pictures of yourself

2 Enter text or visual prompts

3 Generate photos in a few minutes

Complete freedom of input

Upload a reference photo

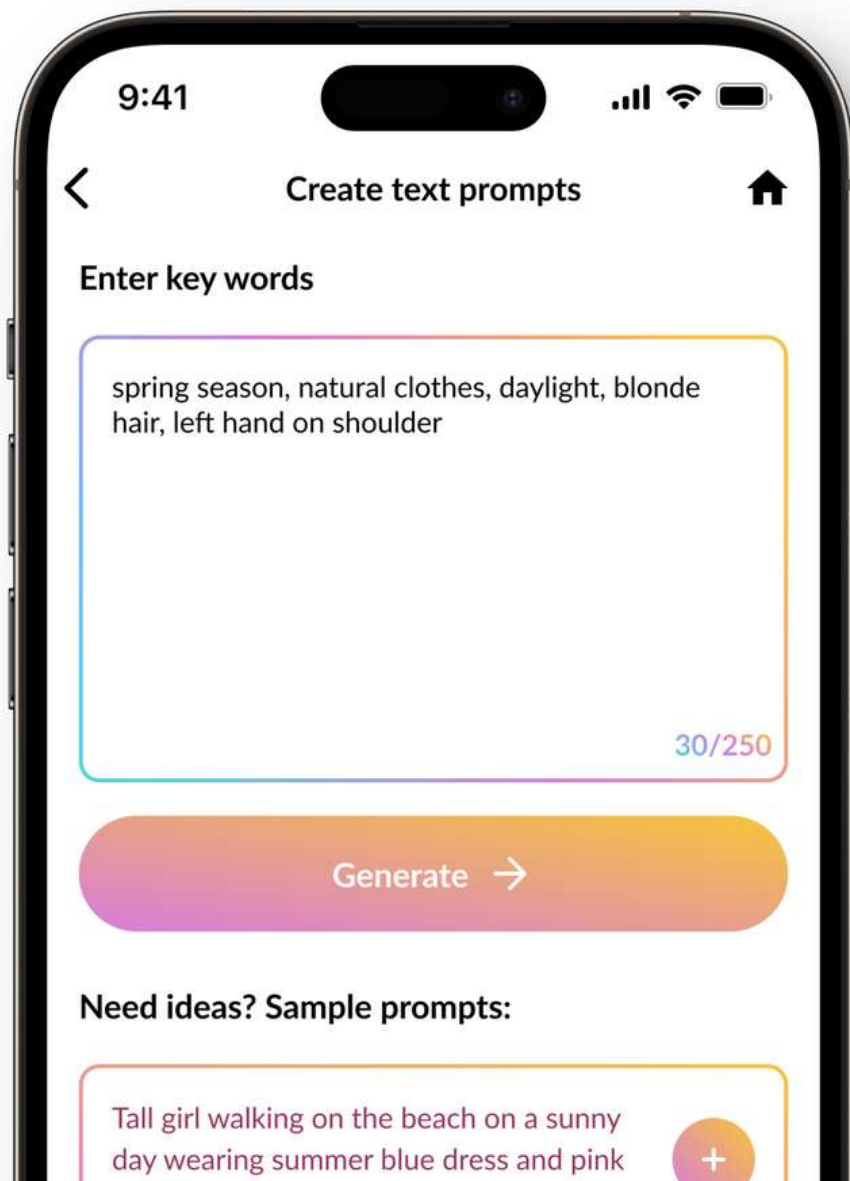

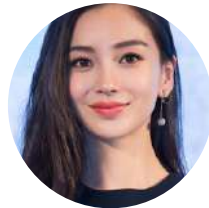

Select from a wide range of presets

Free flow text

Photography reimagined – instantly and effortlessly

AI model trained on 15 images of

Background changed

Hair changed

Posture changed

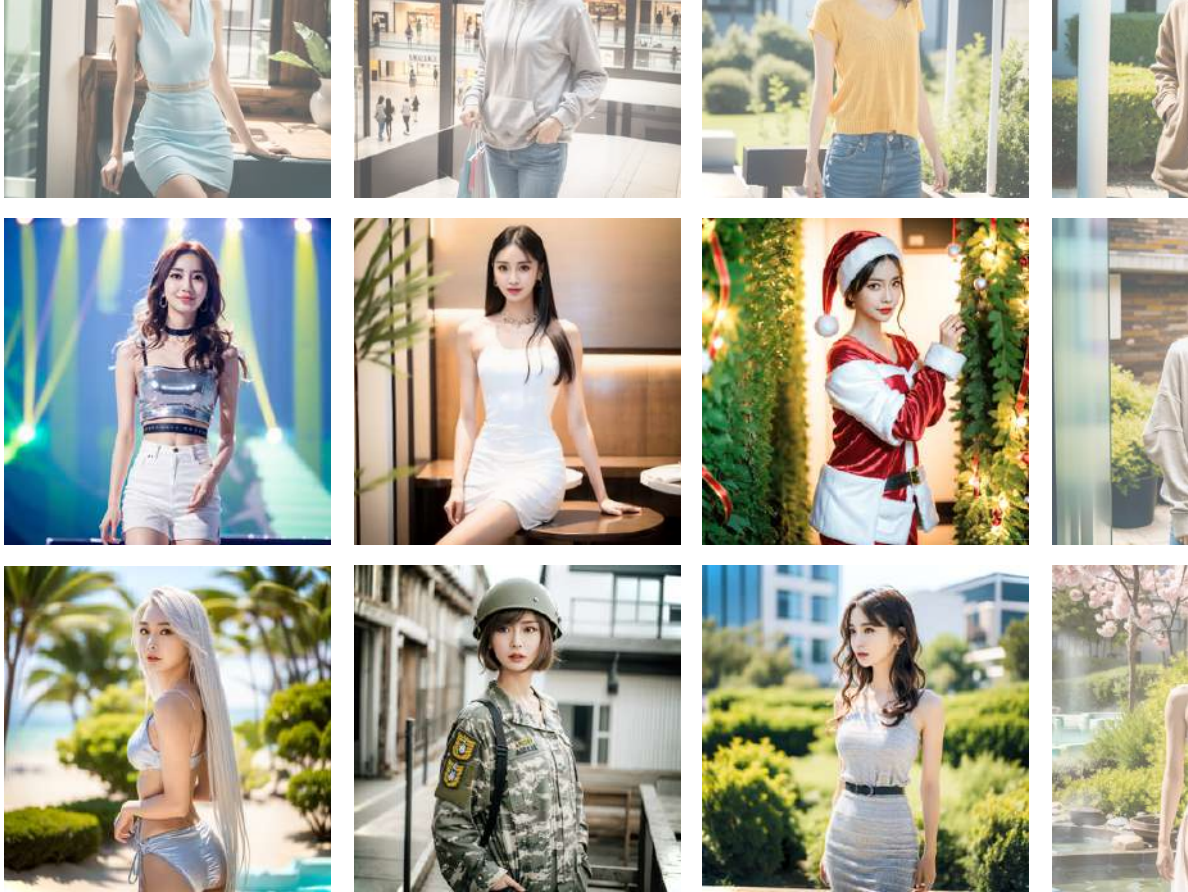

Body shape changed

Clothing changed

Multiple changes at once

Unlimited possibilities using text or image prompts. Every creation is globally unique like a personal photo.

Every possible output, limited by your imagination
